What Makes Real Estate Markets Different

A home that is worth \$200,000 in the Rochester real estate market is not going to be worth \$200,000 in the Atlanta Georgia real estate market even if the homes are almost identical. While this seems like common sense, there are some who believe because a home is identical, it will be worth the same.
<http://home.schoolnutritionandfitness.com/What-Makes-Real-Estate-Markets-Different-.pdf>

How to Do a Real Estate Market Analysis RealWealth

A real estate market analysis is often called a comparative market analysis (CMA). It is basically an analysis of the current market values of properties, comparable to a property you are looking to buy or sell. A CMA is a helpful tool to determine the market value of your own property, especially if you are trying to decide an accurate
