Modernity Wikipedia

Modernity, a topic in the humanities and social sciences, is both a historical period (the modern era) and the ensemble of particular socio-cultural norms, attitudes and practices that arose in the wake of the Renaissance in the "Age of Reason" of 17th-century thought and the 18th-century "Enlightenment". Some commentators consider the era of modernity to have ended by 1930, with World War II

Modernity and Apocalypse in Chinese Novels from the End of

the Twentieth Century. Abstract. Most Chinese writers and intellectuals in the first five and final two decades of the twentieth century yearned for Chinese modernity, but saw a China that was feudal in an era of accelerating world progress. There were also traditionalists, early on, who rejected mainstream versions of modernity that embraced Westernization and nation building. 1 Their contestations of
