Tamil literature Wikipedia

Tamil legends hold that these were composed in three successive poetic assemblies that were held in ancient times on a now vanished continent far to the south of India. A significant amount of literature could have preceded Tolkappiyam as grammar books are usually written after the existence of literature over long periods. Tamil tradition holds the earliest Sangam poetry to be over twelve

What You Should Know About Being a Published Author

Tom Clancy sold insurance while writing his first military and espionage novels. John Grisham was an attorney who carved out a time to write his first legal thriller, *A Time To Kill*, in the early hours of the morning before he needed to appear in court. Although his first book had only modest sales, when he made adjustments and penned *The Firm*, he became a best-selling author.
