Marcia Rigg You Think Police Brutality Is Just A US Issue

She is re-energised to continue the fight. In the wake of Floyd s death, which follows that of Ahmaud Arbery, Breonna Taylor, Eric Garner, Philando Castile, Trayvon Martin and many more, people have been quick to say that this is an example of a type of police brutality that is exclusive to the US. Marcia knows all too well that it s not.

Why Police 'Brutality' Is Not The Issue

This young girl had no respect for any of the people in charge of her. A "good" kid would have gotten out of their seat the first time they were asked, and there would have been no issue. While the media is crying "police brutality," they ignore the arrogance and feeling of entitlement of these young people.

Is police brutality a problem Debate org

No, police brutality is not a problem, because incidents of police brutality only happen on a limited basis. Law enforcement is under significant pressure and every person who is wrongfully arrested will cry foul. Police brutality can be a problem, but it is few and far between. Most law-enforcement officers do their jobs in an exemplary fashion.

<http://home.schoolnutritionandfitness.com/Is-police-brutality-a-problem--Debate-org.pdf>

Media and police brutality Criminal Justice

There is a double standard and denying that fact is just going to send one into the oblivious world of not knowing what they are looking at. Media attention is the worst thing for any case of police brutality because media and people's opinions will erupt into violence and even more crime. The events in Ferguson are a perfect example of
