Implementation Plan Overview Mt Diablo Unified School

LPA develops specific implementation plans for the various educational or support sites within the District. We start by analyzing projected enrollment data, existing facilities condition assessments, and the district's educational program vision. Then we integrate this information into school site master plan diagrams that provide a roadmap for action. Throughout the process, we collaborate

Principal's Message Mt Diablo Elementary School

Mt. Diablo Elementary School was founded in 1862 as a two-room, wooden building situated on the

hill above the center of Clayton. Though the original location of that "little school on the hill" is only an historical memory identified by a stone marker in the playfield, the original bell used to call students to class currently resides in the bell tower over the school's main office and can
