### **Ken Wyatt under fire for ruling out Indigenous voice**

Indigenous groups around the country have strongly criticised Ken Wyatt for using a major address to rule out including a voice to parliament in any referendum on constitutional reform, with one

<http://home.schoolnutritionandfitness.com/Ken-Wyatt-under-fire-for-ruling-out-Indigenous-voice-.pdf>

### **OPINION It's time Indigenous Australians had voice in**

Importantly, it would provide an Indigenous voice in the respective party rooms. There have been nine Indigenous members of the federal Parliament since Neville Bonner became a senator in 1971: three Liberal, three Labor and three from minor parties. So the parties have little to fear from Indigenous representatives being all from one party.
