Access to Courtrooms The First Amendment Encyclopedia

The public and the press have a qualified First Amendment right of access to court proceedings and records. Although the First Amendment does not explicitly mention the right of access, the Supreme Court has held that the right to attend criminal proceedings is implicit in freedom of speech and serves an important function in a democratic society by enhancing trial fairness and its appearance.

History of the American legal profession Wikipedia

The History of the American legal profession covers the work, training, and professional activities of lawyers from the colonial era to the present. Lawyers grew increasingly powerful in the colonial era as experts in the English common law, which was adopted by the colonies. By the 21st century, over one million practitioners in the United States held law degrees, and many others served the

Trial USAO Department of Justice

During this process, no one associated with the trial can contact the jury without the judges and lawyers. If the jury has a question on the law, they must write a note to the judge, which the judge will read in court with all parties present. In federal criminal trials, the jury must reach a unanimous decision in order to convict the defendant.

Trial of Susan B Anthony Wikipedia

United States v. Susan B. Anthony was the criminal trial of Susan B. Anthony in a U.S. federal court in 1873. The defendant was a leader of the women's suffrage movement who was arrested for voting in Rochester, New York in the 1872 elections in violation of state laws that allowed only men to vote. Anthony argued that she had the right to vote because of the recently adopted Fourteenth

The Trial Process The Judicial Learning Center

Every trial proceeds in basically the same way. Both parties are seated in the courtroom. In a criminal trial, this includes the prosecuting attorney for the government, as well as the defendant and their defense attorney.. In civil cases, both the plaintiff and defendant, and their respective attorneys, if any, need to be present.. The attorneys will begin by making their opening statements.

Trial By Jury 18th Century History The Age of Reason

To have a trial by jury is, as a general rule, the right of every man who sues or is sued in court on a cause of action not of a kind to be disposed of in a court of equity or admiralty. The American colonies did not all adopt this mode of procedure at first, and few of them ever practiced it precisely on the English plan.

Chapter 13 Conduct of Summary Trial Canada ca

No Joint Trials. 9. When two or more accused are tried together for the same or similar offences, the trial itself is called a joint trial. The regulations allow the DMP to prefer charges jointly and try by court martial two or more accused who are alleged to have committed an offence together. 12 However, there is no similar provision with respect to summary trials.

Videoconferencing in Immigration Proceedings by Aaron Haas

[Excerpt] When there is mention of a legal trial, a certain picture naturally comes to mind. One sees a judge in his black robe sitting on a raised bench. Lawyers are stationed at tables on either side of the courtroom, prepared to present their arguments to the court. A jury box may sit off to the side, holding a cross-section of citizens culled from the population to perform their ancient
